*****Please consider adding a tax-deductible donation to The Continuo Arts Foundation. Help us advance the arts!**

The **Continuo Arts Foundation** is a 501(c)3 charitable organization that furthers artistic advancement by providing national and international performance opportunities for gifted artists, musicians and composers in addition to fostering musical appreciation through education and exposure. Working in partnership with corporate sponsors and private donors, the Continuo Arts Foundation makes possible the composition and performance of music in ways which might otherwise be considered too unique or too expensive to be ordinarily undertaken, giving precedence to considerations of quality over those of quantity; to artistic rather than to economic values; and to opportunity over expediency.

*A percentage of these ticket proceeds will be donated to the College of Saint Mary's Choral Music Program
