SAINT MARY

College of Saint Mary strives to create a safe, inclusive educational environment where every person's worth and dignity is valued and nurtured. Applicants representing diverse backgrounds and experiences are highly encouraged to apply.

Research Assistant, Project BLOOM

(part-time, up to 19 hours/week)

Are you enthusiastic, enjoy science, and looking for a position to support excellent faculty dedicated to teaching? This position research support for project BLOOM, a grant funded by NASA designed to increase the number of women in STEM professions.

Our Idea of a Perfect Candidate Is Someone Who:

- Has a working knowledge of the physical sciences, including basic chemistry and basic biology.
- Understands of the potential dangers associated with handling chemicals.

Our Ideal Candidate's Education and Experience Include:

- Bachelor's degree in STEM or STEM Education.
- Experience with event management, data collection, and report writing preferred.

This Position Is Responsible For:

- Working with the project manager to organize written ideas through discussion.
- Maintaining Excel files (including budgets and project survey data) and keeping records of invoices and expenses.
- Ordering and maintaining project supplies, writing progress reports on a weekly basis, as well as assisting with quarterly data reporting.
- Assisting in organizing BLOOM Project activities/events, including field trips and travel.
- Keeping a record of student hours and activity data.
- Communicating with BLOOM Project stakeholders as directed.
- Assisting in facilitating on/off campus outreach.

Why You Want to Be on This Team:

- You would be a part of a Mission-centered team, who work together to serve our community.
- CSM is committed to supporting the work-life balance of its faculty and staff.

Application

Please have a resume, cover letter, and contact information for three professional references, including one supervisor, ready to upload during the application process.
